

THE *ReadAndHear* BIBLE

**KJV Old and New Testaments
Audio with Synchronized Text
Narrated by Stephen Johnston**

The ReadAndHear Bible is the world's most compact audio and text Bible, designed specifically for reading and hearing God's Word! The ReadAndHear Bible features the complete King James Version Bible. Narrated by Emmy Award winner Stephen Johnston, the narration is synchronized to the on-screen text, giving you the option to listen, read, or do both at the same time.

Intuitive and easy to use, the ReadAndHear Bible is thoughtfully designed to be advanced yet simple. The convenient one-handed scroller lets you quickly pinpoint any verse in seconds! In addition to its simple design and essential Bible-focused functionality, the ReadAndHear Bible resembles the Holy Bible rather than a high-tech entertainment device. The ReadAndHear Bible is the ideal electronic Bible for your faith!

FEATURES

- World's most compact and lightweight audio-visual Bible, only 2.5 X 2.7 inches and 1.8 ounces!
